Electronic Donation Permission

I / We (donor) _____ hereby give to the Warren County Genealogical Society Library, as a part of its collection, permission to share the below described computer media with patrons and members in various electronic formats.

(Title and Description of Media)

(Initials or check marks in any or all of the categories will grant WCGS the following options)

- _____ The donor retains all rights to content, but permits the Warren County Genealogical Society use of this material on its public library resource center computers. The donor understands that patrons and members will be able to print out hard copies of parts of this material in accordance with copyright laws. The donor also understands that Warren County Genealogical Society will make protective backup copies of this media as they see fit.
- _____ This material may be placed on the Warren County Genealogical Society website. The donor understands that web patrons will be able to print out hard copy portions of this material in accordance with copyright laws. The donor also understands that the Warren County Genealogical Society will make backup copies of this media.
- _____ This material may be added to a CD / DVD, or future storage media, which may be offered for sale in the future. However, the Warren County Genealogical Society in no way guarantees that the donor's submitted materials will be used in this manner.
- _____ I / We agree that any materials described above donated to WCGS found to include printed or other materials deemed inappropriate for permanent retention may be disposed of by WCGS in accordance with its selection policies unless otherwise stated.
- _____ **Please return materials that will not be retained.**
